

Radio Programming Certification Form

Upon completion of programming, this form should be sent to the statewide interoperability coordinator using the form located at <https://form.jotform.com/isicb/RadioCertification/>.

This form certifies that the subscriber radio units for _____ have been programmed with all of the ISICS regional and statewide interoperability talkgroups and channels as defined in *ISICS Standard 1.7.0 – Minimum Programming Requirements* found at <https://isicb.iowa.gov/resources/policies/isics-standards>.

This programming was completed by _____ on _____ (NAME) _____ (VENDOR/AGENCY). If more subscriber radios are added to the agency's fleet, the radios will be programmed in a timely manner to ensure consistency with *ISICS Standard 1.7.0 – Minimum Programming Requirements*.

Certified by:

Name: _____

Vendor/Agency: _____

Date: _____

Signature: _____
