

Fire School 101 Jan. 31; February 1, 2026

The Iowa Fire Service Training Bureau (FSTB) is seeking world-class instructors and education leaders in fire, rescue, and emergency medical services to present at Iowa Fire School 101 in 2026.

We invite you to submit your session proposals to be considered for this premier training event. Selected sessions will shape the educational experience for attendees and help advance fire service training in Iowa.

Event Dates:

January 31, 2026

February 1, 2026

If you have innovative training ideas or specialized expertise to share, we encourage you to apply by following this QR Code
