- **Insurance:** Employee insurance remains in effect through the end of the month in which you work your last day. Retiree coverage begins the 1st day of the following month.
- **Holidays:** Employee must be in paid status the day before and after the holiday to be paid for holiday.
- **Raises:** Is there a pending increase or raise that would impact the final SLTF calculation or vacation payouts on your final paycheck?
- Submit “Application for Benefits” 30-90 calendar days prior to retirement date
 - If married, include a copy of your spouse’s birth certificate & marriage certificate
