A GUIDE TO THE IOWA CHILD RESTRAINT LAW

Key Points: all warrant citation

- Under 1 year old and weighs less than 20 lbs and is not in a rear-facing child restraint system*
- Under 6 years old and is not in a child restraint system (a seat belt is not a child restraint system)
- Children ages 6 up to 11 and not in a child restraint system nor is the child wearing a seat belt
- Rear seat occupants aged 11 -18 not secured by safety belt

***A "child restraint system" is a specially designed seating system, including an internal harness or a belt positioning booster seat that meets federal motor vehicle safety standards.**

- Misdemeanor fine is $135.00, plus costs (non-moving violation) totaling at least $210.25
- Applies to both residents and non-residents of Iowa
- Child restraint use must follow manufacturer's instructions
- Child must be secured in the child restraint and the child restraint must be secured to the vehicle
- Non-use is probable cause to stop a vehicle
- An officer may investigate a suspected violation
- **For unrestrained passengers aged 0-13, the driver receives the citation, and for unrestrained passengers 14-17, the passenger receives the citation**
- 1st offense citation will not result in convictions if driver "produces in court" proof of acquisition of child restraint

Exceptions:

- Children certified by a physician or osteopathic physician as having a medical, physical, or mental disability making restraint use inadvisable
- Passengers on a bus, including a school bus
- Children riding on motorcycles
- Children riding in vehicles manufactured before 1966
- Children being transported in authorized emergency vehicles
- Children transported by peace officers on official duty
- Children riding in motor homes except if riding in the front passenger seat (where they must be restrained)
- Seatbelt is not available due to other belts being used (example: fourth child in a back seat with only three belts)

DISCLAIMER

The compendium is a list of scheduled violations (simple misdemeanors in which the legislature has set the fine and can be mailed in by the defendant). While some information on non-scheduled simple misdemeanors has been included in this booklet, it should not be viewed as a list of all potential violations of the law in the chapters of the code included herein. Additionally, listed violations have often been abbreviated or condensed to meet space requirements here, in TraCS and on the court computer system (ICIS). It remains the responsibility of each user to know the full content of each of the sections of law listed and their proper application.
