## For first responders on FirstNet, Built with AT&T, preparedness is key

The 2022 hurricane season is in full swing with several storm systems having already been named by the National Oceanic and Atmospheric Administration (NOAA). And where public safety goes, we go. That's why the FirstNet, Built with AT&T team has been hard at work connecting with public safety agencies in storm-prone communities as they prepare for hurricane season.

## RESPONDER WELLNESS

### Help at your fingertips: 10 benefits of wellness apps for first responders

Given the stress today's first responders face, supporting their well-being has become even more important. And mobile applications have become the key to accessing the mental, physical and emotional wellness resources they need, writes Emily Marchetta, Lighthouse Health & Wellness.
