Chair Stoldorf called the meeting to order at 10:00 a.m., and asked for roll call of attending Board members.

CP Stoldorf moved to the first item on the agenda, the Public Hearing regarding the vote for an administrative rule change 661-504.1 – 2020 Code Adoption (HF 871).

CP Stoldorf requested AAG John Lundquist to speak to the purpose, and he responded, as the Public Hearing held on October 21, 2021 and the first published Notice of Intended Action was deemed inadequate, in regard to the timing of the Public Hearing. Due to the opinion of the rule writer in the Department of Public Safety, and in consultation with Legislative Services, Code Editors Office, to allow this rule to go into effect by January 1, 2022, which was when the exceptions in our rule were originally intended to grandfather out, but the Statute overrode that and the Board should initiate Rulemaking Following Notice. The purpose today is to adopt, by emergency rule, and upon its publication before the end of the year, the rule would become effective upon publication or the date designated as January 1, 2022. ES Young asked Sarah Jennings (Department of Public Safety, Legislative Liaison) if she had anything to add and she stated there is a 35 day mandatory delay between public hearings and when the Board can adopt the rule. Ms. Jennings also stated that she will write the Filed Emergency after Notice Rulemaking and the rule will go into effect on January 1, 2022. CP Stoldorf asked the public attending by conference call to introduce themselves. There were none by conference call or in-person. CP Stoldorf called for a motion. Gerald made a **motion to accept the administrative rule change and stipulate effective date of January 1, 2022**. VC Cash **seconded** the motion.
