Chairperson Stoldorf called the meeting to order at 10:04 a.m.

CP Stoldorf moved to the first item on the agenda, which was the approval of the meeting minutes from June 21, 2018. Stoppelmoor made a **motion** to **approve the minutes**. Claeys **seconded** the motion. Motion carried unanimously.

The next item on the agenda was the report of the Executive Secretary, and CP Stoldorf turned the meeting over to ES Young. ES Young then asked for the board members to introduce themselves to the new board member present, Penny Clark.

ES Young reviewed the financial report, which was previously provided to the Board for their review, and he directed the Board's attention to revenue and expense items. Regarding the new license system, approximately 2/3rds of the payments on the software system have been paid with about \$100,000.00 still owed.

The next item on ES Young's report was the civil penalty letters for electricians working without licenses. Those individuals receiving civil penalty letters were: *Patrick Hanson, Byron Samayoa Morales, Patrick Moes, Marcus Kizer, Jordan Lazenby, Brian Donahoe, Joseph McAllister, Quincy Watts, Elijah Kane, Brian Seible, Tucker Massner, Cale Hainline, Brian Rogers, Michael Zibert, Zane Enterline, Samuel Wallace, Mark Foster, Kenneth Magby, Michael Anderson, Travis Roberts, Eric Olson, Brady Shill, & Joshua Barnes.*

CP Stoldorf made **motion** to **approve the letters**, and Claeys **seconded** the motion. All approved. Motion carried unanimously.

ES Young directed the Board to the list of enforcement letters that had been sent out from June 8th to August 8th for permitting and inspection violations, which do not require Board action. Those individuals receiving enforcement letters were: *All State Services - Christopher Bishop, Jim's Fireworks & Novelties - James Dalziel, Christopher and Sarah Pfofner, Paul D Long, Vince King, Rodney Ferris, Michael and Lisa Yaddof, Cody Feagins, Mike McCain, QCA Pools and Spas, & Jennifer Williams (Permit Required), Danny Glasgow, Jady Thole, (Cease & Desist), Northland Electrical Services LLC- Joel Kamba (Cease & Desist, Permit Required & Improper Licensure), Consolidated Const Co. (Cease & Desist & Improper Licensure), Bishop Electric - Gerald Bishop (Permit Required & Improper Licensure), Wire One - Jake Wheeler & Ross Glosser, (Improper Licensure), Wanda Horn, Crist Electric - Josh Crist, American Electric - Eric Luett, Dollar General Corp, & Code Master EC - Christopher Swanson (Opportunity to Correct), Karen White, Keith Lackore & Douglas Davis (Electrical Hazard), Michael Martin (Final Inspection Required)*

The next item on the agenda was an update on the new licensing system. ES Young explained we have used most of the additional post-go-live support hours. He also explained the process that was used to purchase additional Vertiba-on-Demand in blocks of 40 hours, and this has been paid. There is a 1 year window to use the hours, but if not all of the hours are used, a percentage will be deducted.

The next item on the agenda was ES Young's report after attending the National Electrical Reciprocal Alliance (NERA) meeting in Eagle, Idaho on August 13 – 15, 2018. Meeting was very well attended. NFPA was also in attendance, and there are benefits to meet and converse with representatives from other states.

With Ben Speck and Nick Reents, with Speck Electric, in attendance, ES Young requested a change to the agenda to discuss their concerns regarding the amount of time it is taking to review felony applications. Mr. Speck asked why it has taken from April to August to have an answer regarding Mr. Reents being licensed. Mr. Reents' license had expired on 12/31/2017 and his new license application was not submitted until April 2018. This caused Mr. Reents' application to be reviewed and his felony conviction was re-visited; ES Young prompted them to not allow licenses to expire.

ES Young turned the floor over to AAG Lundquist to explain the proper discussion of felony convictions and the process of closed session. AAG Lundquist also explained the process to develop a subcommittee to review applications that indicated a felony conviction. AAG Lundquist asked ES Young his thoughts on starting a subcommittee, to which ES Young stated he had sent out an email prior to the board meeting asking for their thoughts. ES Young stated CP Stoldorf has expressed interest in this subcommittee.

Barnhart made a **motion** for the **Board Chairperson, with the assistance of the Executive Secretary, shall establish a subcommittee to review felony applications**. Claeys **seconded** the motion. All approved. Motion carried. CP Stoldorf, Barnhart and Clark stated they would be initial members of this subcommittee to review license applications indicating a felony.

The next item on the agenda was to review license applications where a felony record is indicated.

ES Young turned the meeting back to CP Stoldorf who suggested the board go into closed session, as indicated on the Agenda, to properly discuss the applications.

VC Cash made a **motion** to **go in to closed session to discuss felony applications**. Hendricks **seconded** the motion. Motion carried. CP Stoldorf asked AAG Lundquist to verify why the Board was going into closed session, and if it is being done under advice of Counsel, which he stated was 21.5(1)(a), and he confirmed it is upon his advice.
