Qualifications, 2019 Edition**

Introduction to Fire and Emergency Services Instructor I Certification

FSTB Certification website: <https://dps.iowa.gov/divisions/state-fire-marshal/fire-service-training/certification-accreditation>

Certification Program email: fstbcert@dps.state.ia.us

FSTB Certification phone number: 515-727-3447

Candidates wishing to attain national certification for Fire and Emergency Services Instructor I through the Iowa Fire Service Training Bureau Certification System must start the process by attending an approved course of instruction then submitting an Examination Registration Form along with the Registration Fee of \$50 due at the time of registration.

The form is available on the certification page of the FSTB website (link provided above) or you can click on the following link to go directly to the form:

[Written Examination Registration Form](#)

Each Registration Form is updated regularly to reflect the current schedule of examination locations and dates. Candidates are given twelve (12) months to complete each certification process. This time limit starts when the candidate takes their FIRST examination in this level.

Starting July 1, 2019 the initial Registration Fee of \$50 allows the candidate one (1) attempt to pass the written examination. If the candidate fails the written exam, they are charged \$50 to retake **EACH** examination again.

The FSTB stopped the process of allowing free retakes of examinations beginning on July 1, 2019. If the candidate started their certification process prior to July 1, 2019 then the candidate will be allowed to continue their process under the former rules until that process is exhausted (after completing the one free retake). If the candidate fails the free retake, then the candidate will pursue certification under the current rules.

If the twelve (12) month time limit expires and the candidate has not successfully completed all the requirements for this certification process, the candidate will have to restart the process. All information and documentation relating to the previous certification attempt will be removed from the FSTB database.

Local Documentation Forms and/or Projects must be submitted and approved within the twelve (12) months from when the candidate starts the certification process for this level.

Fire and Emergency Services Instructor I - Certification Requirements

Prerequisites:

Candidates pursuing certification at the Fire and Emergency Services Instructor I level must meet the following conditions:

Certification Flow Chart for Fire Instructor I

You have twelve (12) months to complete this process or you start over.

Fire and Emergency Services Instructor I - Project (Teaching Assignment)

DIRECTIONS:

1. You will need to present (deliver) a minimum of twenty-four (24) hours of instruction utilizing prepared Lesson Plans that include subject matter relating to the Fire Service or Emergency Medical Services (EMS). A maximum of twelve (12) of the hours of instruction can include EMS related topics. The remaining hours must be related to Fire Service topics. All twenty-four (24) hours **MUST** be evaluated and documented by an individual certified at least to the **Iowa** Fire and Emergency Service Instructor I level. For each "block" of instructional delivery, the evaluator must complete a Teaching Report and the respective Skills Performance Evaluation Checklist.
 - Skill Item #'s 1 - 19 **MUST** be completed for **EACH** block of instructional delivery, regardless of the duration, along with providing comments.
 - Skill #4 - Please submit **ONE (1)** copy of a **COMPLETED** training report for **EACH** of the training block(s) of the twenty-four (24) hours of instruction.
 - Skill Item #'s 20 - 23 **MUST** be completed at least **ONCE** during the delivery of the twenty-four (24) hours of instruction.
 - Skill #20 - Please submit a copy of the test utilized for **ANY** of the training block(s) of the twenty-four (24) hours of instruction.
 - Skill #21 - Please submit a copy of the graded test and the associated answer key utilized for **ANY** of the training block(s) of the twenty-four (24) hours of instruction.
 - Only **ACTUAL** instructional delivery shall be counted. Drive-time to and from the location, classroom set-up, equipment set-up and tear-down **SHALL NOT** be included in the instructional hours.
 - Public education hours such as open houses, station tours, extinguisher training, fire drills, and safety speeches **SHALL NOT** be included in the instructional hours.
 - Live Fire training **SHALL NOT** be included in the instructional hours.
2. **Letter of Recommendation:** A letter of recommendation is required to be submitted by the Instructor that evaluated **ALL** or a **MAJORITY** of the twenty-four (24) hours of instruction, if multiple evaluators were utilized. The purpose of the letter is to allow the Evaluator to describe the qualities, characteristics, and capabilities of the Instructor Candidate pursuing certification in terms of that individual's ability to perform a particular task. This letter shall either provide a recommendation for certification based on successful demonstration of instructional abilities or provide a development strategy and request for time extension to allow the candidate to improve and meet the acceptable instructional ability level.
3. Once the Project has been completed, scan and email ALL documentation to: fstbcert@dps.state.ia.us. As a reminder, please keep a copy of ALL your paperwork for your records.
