# MILITARY EDUCATION, TRAINING, OR SERVICE CREDIT APPLICATION

---

**Applicant Name:**

---

A military service applicant may apply for credit for verified military education, training, or service toward any experience or educational requirement for licensure per Iowa Code section 272C.4 and rule chapter 661-278.

**Are you requesting consideration of verified military education, training, or service as credit toward licensure?**

Yes                      No

- 
- To have your military education, training, or service considered for credit toward any licensure requirement, please attach this form and all pertinent documentation to the applicable license application form.

Documentation may include, but is not limited to, military transcripts, a certified affidavit, or documents that verify completion of the relevant military education, training, or service. These documents may include the military service applicant's Certificate of Release or Discharge from Active Duty (DD Form 214) or Verification of Military Experience and Training (VMET) (DD Form 2586).

---

**SIGNATURE ACKNOWLEDGEMENT:**

I hereby acknowledge I am familiar with applicable Iowa statutes and administrative rules and wish to have the accompanying documentation considered as credit for the required experience or education related to the attached license application. I further recognize the State Fire Marshal may deny this request and I may request reconsideration of the denial. I understand I may retract this request at any time during the application process.
