Waiver Agreement and Privacy Act Statement

For fingerprint-based National Criminal History Record Checks for Noncriminal Justice Purposes
as authorized by state and/or federal statute

Pursuant to the Iowa User Agreement, this form must be acknowledged, completed and signed by every current or prospective licensee, employee, volunteer, and contractor/vendor, for whom fingerprint-based national criminal history records are requested by a Qualified Entity (QE) under state legislation or federal statute.

The person within the QE who is initiating the process and submitting fingerprints for noncriminal justice purposes must acknowledge and implement the privacy requirements of the QE, and complete and sign the QE portion of this form. The QE must also provide a copy of the executed Waiver Agreement and Privacy Act Statement to the applicant prior to submitting the applicant's fingerprints.

I hereby authorize (**Name of QE**) State Fire Marshal Division
to submit a set of my fingerprints to the Iowa Department of Public Safety (DPS), Division of Criminal Investigation (DCI) for the purpose of accessing and reviewing Iowa and FBI national criminal history records that may pertain to me.

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

- You must be provided written notification that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

RIGHT TO OBTAIN AND CHALLENGE ACCURACY OF CRIMINAL HISTORY RECORDS

The DCI does not allow agencies to provide a physical copy of the criminal history record received on an individual. However, the QE may show and/or discuss the information with you, the applicant, only. You may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/services/cjis/identity-history-summary-checks>

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

National Child Protection Act as amended by the Volunteers for Children Act (NCPA/VCA)

This section applies to QEs and applicants whose fingerprints are submitted under the authorization of the NCPA/VCA.

The QE is authorized under 34 USC 40102(a) to request a national criminal history record check for the purpose of determining whether you have been convicted of a crime that bears your fitness to have responsibility for the safety and well-being of children, the elderly, or individuals with disabilities.

Until the criminal history record check is complete, the QE may choose to deny you unsupervised access to children, elderly or individuals with disabilities or the QE may choose to deny your application or grant a limited or restricted license.

The noncriminal justice applicant's privacy rights apply to all applicant's whose fingerprints are submitted to request National Criminal History Record Checks for Noncriminal Justice Purposes, including under the NCPA/VCA authorization.
