

- Use the Public Portal Lookup to see if a business or site is already in the License Management System (LMS). You do not have to be logged in to use the Lookup page. Enter the search criteria (you can select a License Classification from the drop down to help filter your search) and click the Search button.

Add New Business or Site

- If the business or site is not found using the Lookup search, login to your online account and complete the New Business Set Up application under My Applications.

My Account

Click on the Applications link in the left-hand navigation pane to find forms. (On a smartphone or tablet, click on the menu icon in the upper left-hand corner of the screen.)

If you are the point of contact and are **APPLYING/RENEWING ON BEHALF OF YOUR STAFF** for Fire Protection, Alarm, or Explosives licensing, click the **Business** link in the left-hand navigation pane. Further instructions will be provided on the All Services page.

You can update your information at any time by clicking on the Profile link in the left-hand navigation pane. Keeping your profile updated will help facilitate Password resets.

If you have more than one license type, click on the Profile link in the left-hand navigation pane, and then click the Certifications link. Any certification/license you hold will be listed.
