

STATE FIRE MARSHAL DIVISION

NATIONAL FIRE INCIDENT REPORTING SYSTEM (NFIRS)

March 26, 2020

The State Fire Marshal Division worked with ImageTrend to migrate the existing Fire Bridge V. 2 system to Elite effective January 1, 2018. With this migration came a few changes. The website address changed, and you no longer have access to the Fire Bridge V. 2 site.

The program remains free for your use to log your fire incidents and we encourage you to do so as completely and frequently as possible.

Please also check the NFIRS website <https://dps.iowa.gov/divisions/state-fire-marshal/national-fire-incident-reporting> for details.

To request a **new administrator account**, please complete the form below, return by email to nfirs@dps.state.ia.us, and you will be notified once your account is activated.

Fire Department Name:

Fire Department Address:

Street Address

City

Zip Code

Administrator Full Name:

First

Middle

Last

Administrator Email Address:

Administrator Contact Phone Number:

If you are requesting a new administrator account to replace a prior administrator, please include a copy of a letter from your supervisory authority (city council, board, mayor, etc.) indicating you are now the fire chief replacing the existing administrator of record.
